REDEFINING THE WINDOW OF OPPORTUNITY.
OUR VISION. YOUR VIEW.

We’ve mastered the art of blending luxury with comfort, and now—blurring the line between outside and in. Not only are our Panorama Suites™ on our Suite Ships® 30% larger than the industry standard for staterooms, our wall-to-wall and floor-to-ceiling windows open wider than any other, creating river cruising’s only Open-Air Balcony™ and an open invitation to discover and dream. And speaking of dreams, our Panorama Suites feature luxurious beds turned to face the window, so you can relax and watch the world go by with a view that’s a dream come true! Even if you’re a seasoned traveler, you’ve never seen Europe like this.

HAND-SELECTED HOTELS

Avalon is proud to be associated with some of the world’s finest hotels, most of which are deluxe (D), moderate-deluxe (MD), superior first-class (SF), or first-class (F) establishments.

In remote areas, there may be no hotels available in these categories, so we choose the best available (BA) hotels. Each hotel is rated following standards set by the independent Hotel & Travel Index and by national tourist boards. Hotels are listed for cruises that include land itineraries and for YourWay extensions. It may be necessary to substitute with an alternate hotel of equivalent standard in some instances. Your travel documents will list hotel addresses with telephone numbers, plus you can find more details on our website.

THE FINEST TEAM OF TRAVEL EXPERTS

With Avalon, you benefit from the expertise we bring to every vacation. We set very high standards and are dedicated to selecting the right Cruise Directors, Adventure Hosts®, Local Guides, and Local Hosts®. These experts are from the region through which you’re traveling, and they share their vast knowledge of the areas and help you maximize each moment. Beyond the professionals you meet on vacation are the men and women working diligently behind the scenes. Our extensive technical support network carefully monitors vacations in progress, ensuring your trip goes smoothly and allowing us to deliver unique, quality travel experiences every time.

GOOD REASONS TO BOOK YOUR FLIGHTS WITH AVALON:
• Free airport transfers included on published brochure dates
• Air coordinated with vacation dates/arrival and departure times
• Competitive prices with no hidden fees for choice of air schedule, date deviations, stopovers, or matching air with traveling companions

COMPETITIVE PRICES
As a completely independent cruise operator, we have no ties to any one airline. We have negotiated the lowest possible airfares with the world’s finest carriers on behalf of our travelers. Plus, Avalon’s buying power generally means better rates for you.

AIR OPTIONS
Avalon offers two air options: Flex-Air and Instant Purchase Air. Flex-Air allows flexibility if you want to make changes to your vacation schedule. Instant Purchase Air may offer additional airline options but has more restrictions. Flex Air is available for Europe vacations with return air outside of 331 days under the Early Airfare Price Guarantee. Early Airfare Price Guarantee locks in a price that is guaranteed not to increase. Flight schedules are unavailable with Early Airfare. Schedules will be confirmed when your air departure date is within 331 days to departure. At that time, the best air price will be utilized and a new invoice with the air cost and confirmed schedule will be sent. If the guaranteed price is the lowest, the schedule with the lowest fare per contracted classes of service will be booked. Any voluntary change to the confirmed flights negates the guaranteed price and is subject to air pricing at the time of the change.

Air-inclusive price quotes will include all government-imposed taxes and fees applicable at the time of booking and will be shown as a Total Amount. (Please see “Applicable Airfare Taxes & Fees” section that follows.)

GUARANTEED AIR-INCLUSIVE PRICES
Once your airfare is confirmed by Avalon, and Avalon has received your full land and air deposits*, your air-inclusive price is guaranteed. This protects you from any airfare increases. Because we lock in our airfares with your full deposit, we may ticket your booking immediately. Therefore, any subsequent changes or revisions to airline reservations at your request after deposit is received may result in airline change fees. Generally, these fees are up to $300, but in some cases, may be up to 100% of the ticketed price. Please ask if any such changes apply before making changes, as all changes at your request are payable by you. Flights are only available to passengers traveling from the United States and only when booked in conjunction with a land/cruise vacation (i.e., air-inclusive vacation). An additional non-refundable $300 flight deposit is required for Flex-Air bookings. Instant Purchase Air requires air payment in full at time of booking plus a non-refundable per person service fee of $30 for North/Central America, $50 for Europe/Middle East, and $80 for all other international destinations. Once booked, Instant Purchase Air is non-refundable and non-changeable. Some vacations may only offer one air type option.

*Please see the Terms & Conditions for full information on our Pricing Policy and applicable guarantees, as well as deposit, final payment, and cancellation terms.

APPLICABLE AIRFARE TAXES & FEES
Air-inclusive price quotes will include all government-imposed taxes and fees applicable at the time of booking and will be shown as a Total Amount. The total airfare price, the base airfare price, and the applicable government taxes and fees are broken out line-by-line and shown on the invoice after your total package cost. Please refer to our website or carrier websites for current baggage pricing information. For return travel from some countries, international travelers are required to pay entry and/or exit fees at the airport. These fees will be collected by the local government and are payable by the traveler at time of travel. Your confirmation booking information will contain information about these fees.

BUSINESS CLASS/PREMIUM ECONOMY UPGRADES AVAILABLE
Business class and/or Premium Economy upgrades may be available for purchase, either round trip or one-way for most of our itineraries using either Flex Air or Instant Purchase Air. Upgrades may be subject to increased air deposits, and price quotes will be provided at time of request.

NOTE: USA connection flights and intra-Europe flights typically do not have upgraded cabins available in conjunction with international upgraded service.

FREE AIRPORT TRANSFERS
When you book your Avalon cruise air-inclusive, transfers from/to the airport to/from your start/end hotels or cruise ship are included on brochure dates. This can be a substantial savings, as a taxi transfer in some cities is as much as $85 each way. Transfers will be provided only if confirmed by Avalon. Look for confirmation of your transfer in your Important Travel Documents.

HASSLE-FREE BOOKING
With Avalon, think of your entire vacation as one-stop shopping. Rather than spending hours researching flight options to coordinate with your vacation dates, let us handle the work. And when we book your flights, if there are any changes to your vacation schedule, we make the flight changes for you (subject to airline revision fees and/or airline-imposed change or cancellation fees).

SELECTING YOUR FLIGHTS
In most cases, you’ll be offered a choice of carriers and flight schedules as well as price points to choose from when selecting your flights. Your schedule will be provided to you at the time of booking (schedules are subject to change by carriers). Since seats for our low-cost airfares fill quickly, we urge you to book early. Air-inclusive reservations cannot be made later than 10 days prior to departure. Additional rules may apply. Ask your Travel Consultants for details.

TRANSPORTATION SECURITY ADMINISTRATION (TSA)
REQUIREMENTS
Due to increased travel security around the world, the Transportation Security Administration (TSA) requires all passengers to provide their full name as it appears on their government-issued ID the passenger plans to use when traveling, date of birth, and gender. Known traveler number and redress number, if applicable, can also be provided. This information is required within 10 days of booking air with us.

RECEIVING YOUR ETICKET
Your eTicket receipt is published within your travel documents and will be sent two to three weeks prior to vacation departure. Based on availability, a service charge per reservation will be added for documents requested in advance, early air ticketing, and/or for 2 day delivery or for delivery to multiple addresses. For late bookings, travel documents, including the eTicket receipt, are sent after final payment is received. Special service requests such as special meals may be done by your Travel Agent directly with the air carrier.

Please retain your ticket copy and boarding passes in the event you need them later for proof of your flights (to accumulate frequent flyer miles, for example). We are unable to supply ticket copies after your return. Some fare types may restrict or only allow partial mileage account accrual.

SECURING SEAT ASSIGNMENTS
The best available seats are requested at the time of the reservation. Not all air segments allow for advance seat assignment, and may be reserved only at airport check-in or for purchase from the airline.

Frequent flyer mileage accrual and seat assignments prior to travel are not guaranteed by Avalon, and are subject to specific airline policies. Additional airline-imposed fees for seat assignments may apply and are not included in your total package cost. Please refer to carrier websites for seat assignment policies and applicable pricing.

WE ALSO ACCEPT YOUR RESERVATION WITH NO AIR INCLUDED
While booking your vacation air-inclusive gives you all the advantages described here, you can also make independent flight arrangements on request. Scheduled direct flights (but not chartered flights) and reserve our airport transfer service. Please contact your Travel Consultant about restrictions, availability, and prices at the time of booking and fax (303.705.7060) or send a photocopy of your air itinerary with arrival and departure flights and dates, plus your Avalon invoice number, to the Avalon Transfer Department. Flight details should be sent apart from other correspondence or payment and must be received no later than five days prior to departure.
WHAT SIZE CAN MY SUITCASE BE?
Your single bag should have dimensions not exceeding 30”x21”x11” and weight not exceeding 50 lbs (22 kg). We regret that we are unable to accept a second suitcase or any luggage exceeding these limits on any Avalon vacation outside of Europe. Some vacations have more restrictive regulations than these listed above. Please refer to your travel Documents for more information.

Please note that air carriers, cruise lines, and other forms of transportation may have other restrictions and requirements, including weight, and we recommend that you contact the suppliers directly for additional information. Some airlines also charge fees for checked baggage, and these fees are not included in the vacation or airfare package price. Check with your airline directly for baggage information and regulations. Avalon is not responsible for additional baggage fees imposed by air carriers.

WHEN WILL I RECEIVE MY TRAVEL DOCUMENTS?
Your travel documents and e-ticket receipts provide you with complete itinerary details, travel tips, and much more regarding your upcoming trip. With paperless e-documents and our mobile GO apps, you can access your documents, directions, and local information anytime, anywhere online. Printed documents, if you prefer, are delivered via FedEx approximately 2-3 weeks prior to departure, provided full payment and all required passenger information has been received.

WHAT IS TRAVEL PROTECTION?
Travel Protection offers comprehensive protection for your travel investment. In addition to excellent trip coverage and cancellation protection, the plan includes a Cancel for Any Reason Waiver Benefit that allows for cancellations up to 24 hours prior to departure (or prior business day, whichever is farther out) for any reason. In the event cancellation is for a non-covered reason under Travel Protection, the cancellation penalty retained by Avalon, minus the Travel Protection payment, will be reimbursed under the Cancel for Any Reason Waiver Benefit in the form of Travel Certificates valid for travel within two years from the original cancelled vacation start date. This Cancel for Any Reason Waiver Benefit does not cover Instant Purchase Air or independently purchased air.

WHEN CAN I PURCHASE OPTIONAL EXCURSIONS?
You can learn about the optional excursions available on your Avalon vacation, including cruises that offer Monograms and Globus extensions, by visiting AvalonWaterways.com/MyAvalon. A complete listing will also be available in your travel documents. Optional excursions are available for purchase online in advance from 90-4 days prior to departure. We recommend you book early to secure your reserved space.

NOTE: Optional activities and excursions are subject to change and may not be available as described; please visit our website for up-to-date information, including Terms & Conditions and details regarding payment.

WHY AM I ASKED TO GIVE MY PASSPORT NAME, GENDER & DATE OF BIRTH WHEN BOOKING FLIGHTS?
Due to increased travel security around the world, the Transportation Security Administration (TSA) requires airlines to collect this information in accordance with the Secure Flight Program enacted by the U.S. Department of Homeland Security. TSA information must exactly match the full name as it appears on their government-issued ID the passenger plans to use when traveling, date of birth, and gender. If this information is not accurate, you may not be allowed to board the plane. It is important to provide this information accurately at the time of booking, as any changes to your air booking, which includes spelling, could be subject to a change fee, penalties, higher fares, new schedule, and/or cancellation.

HOW IS MY AIRFARE PRICE DETERMINED IF I PURCHASE FLIGHTS THROUGH AVALON?
In most cases, you’ll be offered a choice of carriers and flight schedules as well as price points to choose from when selecting your flights. Your schedule will be provided to you at the time of booking (schedules are subject to change by carriers).

WHY IS MY CONTACT INFORMATION COLLECTED WHEN I BOOK?
There may be times when unforeseen events beyond our control impact travel schedules and potentially disrupt your vacation. These include, but are not limited to, severe weather conditions, acts of nature, and government travel advisories. Under such circumstances, it is critical that Avalon be able to contact you immediately and reliably—including nights, weekends, and holidays—to make sure we’ve informed you of any possible changes to your travel. Additionally, the care and safety of our guests have always been our highest priority. There may be a need to contact you while on the trip or to contact someone back home due to an unforeseen event that happens while on the trip. Therefore, in addition to pre-trip contact information, we also require an emergency contact name and number, as well as an on-trip phone number for all travelers.

WHY AM I ASKED TO PROVIDE MY AIRLINE TICKET NUMBER FOR FLIGHTS THAT WERE BOOKED INDEPENDENTLY OF AVALON?
Avalon utilizes bulk contracts for our air services, which includes intra-vacation air offered on many of our vacations. Depending on the destination, our contracts require us to provide the international ticket number in order to issue the intra-vacation air tickets. If this information is not obtained, either the intra-vacation air or the entire vacation will be cancelled.

DO I NEED A PASSPORT & A VISA?
When traveling outside the United States, a passport is required for U.S. citizens. Some countries require a visa. All travelers should consult with appropriate consulates or a visa provider service to determine if any visas are needed. Proper travel documentation is the responsibility of the traveler.

HOW DO MONOGRAMS & GLOBUS VACATIONS DIFFER FROM AVALON?
Avalon is a cruise vacation with a Cruise Director and Globus is an inclusive escorted tour with a Tour Director, both of which follow a set itinerary. Monograms vacations, including the package added to your cruise, are independent stays in major cities and destinations that include hotel accommodation with breakfast, guided sightseeing, transportation between cities, and the services of a Monograms professional Local Host®.

HOW DOES AVALON HANDLE ITINERARY DISRUPTIONS?
Mother Nature (water levels and weather conditions), man-made conditions (maintenance or repair of locks that all ships must pass through), as well as logistical obstacles due to labor strikes, technical failures, or natural elements can create unforeseen disruptions to river navigation. Avalon’s extraordinary expertise in river cruising keeps us prepared for all such unlikely disruptions or delays—with your comfort and convenience always our paramount priority.

Our dedicated ground team, fleet of comfortable motorcoaches, long-term relationships with quality hotels, and a global tour operations network allow us to quickly address any changes (other than minor deviations stated in our “Terms and Conditions”) that require alternative plans during your cruise. Avalon’s 100% Suite Ship fleet will often make it possible to transfer our guests to a sister ship—when technical issues occur or water level disruptions are unchanged after 48 hours—for seamless accommodations and expedited continuation of your journey. Each circumstance is assessed as unique, based on our more than 90 years of experience in travel touring. With regular updates via a variety of channels, such as social media, email and MyAvalon, we provide complete transparency and valuable information for our guests.

Before, during, and after your Avalon Waterways cruise, we are dedicated to your safety, comfort, and convenience. With our contact-information policy at the time of your booking, to Swift Resolution protocols during your cruise, to ease of post-cruise communication with travelers’ services, your satisfaction and comfort remain our commitment to you.

Avalon has no control over the temperatures in air-conditioned rooms or bathrooms. A child must be traveling with adults other than the parents or with only one parent. It is recommended that a notarized letter be written by the parents or non-traveling parent granting authorization to travel, including the dates of travel. We suggest that you also contact the appropriate consulates and airlines, as they may have additional requirements for recommendations.

TSA AIRLINE INFORMATION

93. Under the Secure Flight Program enacted by the U.S. Department of Homeland Security, the Transportation Security Administration (TSA) requires airlines to collect information from you for the purposes of Watch List matching. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. At time of booking a vacation with air reservations, Avalon will collect the required information and forward it to your air booking to the airline(s) for the Secure Flight Program. The information includes full name, date of birth, gender, and redress number (if available). Failure to provide the required TSA information at the time of booking will result in the loss of confirmed flights and airfares, price, as well as in fees for ticketing. Any increase in airfare price is payable by you.

94. Acceptance of this vacation is subject to presentation of the Traveler Certificate, which will be available in your final Travel Documents.

VISAS & PASSPORTS

95. It is your responsibility to verify all visa and passport requirements necessary for your vacation. You are responsible for obtaining independently and paying for all visas and entry documents, for meeting all health and other requirements of the countries or territories of any documents required by the laws, regulations, orders; and/or requirements of the countries and/or states in which you will visit. Avalon cannot accept liability for any passenger refused entry on any transport or into any country due to failure of the passenger to carry correct documentation or adherence to specific entry and exit requirements. All visa information listed on the website, in the Itinerary, or in the brochure. In the U.S. or Canada, citizens only. Non-U.S. citizens must consult with appropriate consulates to determine if any visas or other documents are needed.

96. You must have a passport to travel internationally. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. It is recommended that you carry a copy of your passport and blank pages in your passport when travelling. Multiple-entry visas are required for some vacations. The process of obtaining a visa and/or passport can take up to three months or more.

WAIVERS

97. Signing of a Liability Release is required on Active Discovery cruises and for the activities that have higher inherent risks. On the first day of the cruise, the Cruise Director will ask you to sign this Liability Release. You can watch a copy of the Liability Release on our website: http://www.avalonwaterways.com/terms.

98. During the course of your cruise, tour, or excursion, you may encounter the opportunity to participate in additional, optional activities that are provided by independent third-party suppliers. The suppliers of those optional services may be independent contractors and are not agents, employees, or joint venturers of the Company or its affiliates. From time-to-time, and for reasons beyond the control of the Company, depending on the circumstances, the Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of the parties nor any affiliate of the Company shall in any case be liable for other than compensatory damages, and any certificate, which is available upon request, and to the laws of the countries in which the services are supplied.

RESPONSIBILITY

100. Group Voyagers, Inc., located at 5301 South Federal Circle, Littleton, Colorado 80123, is an independent company (“the Company”) licensed to market and distribute travel products under the Avalon Waterways, Globus, Cosmos, and Monograms brand names, and arrange for the vacation services offered on this website, including transportation, sightseeing, and accommodations through independent contractors.

101. Air carriers, accommodations, and other suppliers (including but not limited to trains, cruises, ferries, motorcoaches, hotels, and restaurants) providing services are independent contractors and are not agents, employees, or joint venturers of the Company or its affiliates. From time-to-time, and for reasons beyond the control of the Company, depending on the circumstances, the Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of the parties nor any affiliate of the Company shall in any case be liable for other than compensatory damages, and any certificate, which is available upon request, and to the laws of the countries in which the services are supplied.

102. The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier’s liability to passengers (vacation participants). These agreements include, but are not limited to, the provisions of the Montreal Convention for international carriage by air, the Convention relative to the Treatment of Air Carrier Liability for air carriers operating under an operating license granted by an EU country, the Athens Convention for international travel by sea, and the Hague-Visby Rules. Under these conventions, the Company is not liable for injury, death, or damage to persons or property, loss of or damage to luggage, and any other loss or delay in delivery of luggage.

103. After departure, if the Services included in the vacation contract are not provided or there are changes in itinerary, the Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of the parties nor any affiliate of the Company shall in any case be liable for other than compensatory damages, and any certificate, which is available upon request, and to the laws of the countries in which the services are supplied.

104. The Company reserves the right to accept or reject any person as a vacation participant; to expel any person at any time during the vacation; to make changes in the itinerary whenever the Company deems necessary for the comfort, convenience, or safety of the participants; and to cancel a vacation at any time.

105. The vacation participant agrees that neither the Company, nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any provider supplying services, any insurer or insurance administration under the Travel Protection plan, or any other party.

106. Any dispute between the vacation participant and the Company, or any agent or representative of the Company or its affiliates, with respect to the vacation, the Terms & Conditions, or the final Travel Documents shall be submitted to arbitration in accordance with the American Arbitration Association rules, in the State of Colorado, USA. Any judgment upon the award rendered by the arbitrator shall be final and binding upon the parties.

107. Arbitration against the Company or the vacation participant shall be invoked in writing under the laws of the State of Colorado, USA. The vacation participant agrees that neither the Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any provider supplying services, any insurer or insurance administration under the Travel Protection plan, or any other party.

108. Any action to enforce the arbitrator’s decision shall be brought only and exclusively in the state or federal courts in the State of Colorado, USA.

109. No person, other than an authorized representative of the Company by a document in writing, is authorized to vary, add, or void any term or condition on its brochure or website, including any term or condition set forth in the preceding provisions.

110. As a passenger on board an Avalon river cruise, you are also subject to the Terms & Conditions of the Carrier. Carrier Terms & Conditions are available for each Avalon ship upon request or on the Avalonwaterways.com website.

AVALON ASSURANCE

WHEN IT COMES TO THE START OF THE CRUISE, IT IS IMPORTANT TO KNOW... 

MOTHER NATURE AND UNFORSEEN EVENTS

When it comes to showing you the world, our mission is to provide you with an exceptional and engaging river cruise experience. Occasionally, Mother Nature has other ideas and may present us with unexpected high or low water conditions. While we cannot predict water levels, we can assure you that all of us at Avalon Waterways—on board, on shore, and behind the scenes—are dedicated to providing the best possible vacation experience...no matter what Mother Nature throws our way.

Our seasoned global team works proactively to manage and communicate any necessary itinerary changes with you in a timely fashion. We are always ready with seamless contingency plans—with thoughtfully planned alternatives and modifications to minimize delay or disruption. Changes in embarkation and/or disembarkation locations, utilizing other Avalon Suite Ships in the area, providing alternative sightseeing excursions, or offering comfortable hotel accommodations are all in place for any circumstance.

Each response we make to river conditions is made with expertise and patience of our safety, comfort, and convenience foremost in mind. With enough notification of water levels or other factors that may affect your upcoming cruise, we are committed to ensuring that you enjoy the optimal experience—even if you choose a later departure date instead.

And while we’ll always do our best to anticipate and plan ahead, there may be a rare occasion when river conditions require us to update travel plans close to departure or during the cruise. Regardless of the timing of Mother Nature’s surprises, our goal remains the same—to provide a complete and exceptional vacation experience for each and every guest. That’s Avalon Assurance.
