2019 RIVER CRUISES

EUROPE + RUSSIA + UKRAINE + CHINA + SOUTHEAST ASIA + EGYPT

THE WORLD’S LEADING RIVER CRUISE LINE...BY FAR®
Dear Traveler,

The “where” of your next journey presents a pleasant conundrum. Perhaps Europe is on the horizon, with its gleaming capitals and peaceful waterways. Or maybe China, a rugged land of deep river gorges and ancient traditions. Russia is another option, enigmatic and captivating in its architecture and intriguing history.

As for the “how,” the choices become clearer. Viking has a long history of earning accolades from seasoned travelers like you. Most recently, we have been named one of the top river cruise lines in Travel + Leisure’s annual World’s Best Awards. This is just one of the many ways in which we have been recognized for our outstanding service, cultural immersion, shore excursions, destinations, ships and value…the things that matter to you most.

DID YOU KNOW?...

• Viking has been honored multiple times by Condé Nast Traveler on their Gold List and Readers’ Choice Awards
• Viking was honored with five awards, including “Best Shore Excursions” and “Best Value for Money,” in Cruise Critic’s 10th Annual Editors’ Picks Awards
• Viking reigns as the world’s most award-winning river cruise line

Our 2019 season highlights the little-known gems and legendary icons of the world’s most storied locales. Discover scenic vineyards and medieval towns on our 15-day Grand European Tour, or experience the cities of Shanghai and Beijing and walk along the Great Wall during our 14-day Imperial Jewels of China.

To celebrate our 21st anniversary, the offers featured in this month’s brochure are part of our Anniversary Sale. Call today to take advantage of the savings.

We look forward to sharing our world with you.

Sincerely,

Torstein Hagen
Chairman

JOURNEY HIGHLIGHTS

BEAUTIFUL BELGRADE. Discover Serbia’s beautiful capital, Belgrade, whose history dates back some 7,000 years. Walk through the grounds of Kalemegdan Fortress and peek inside the Orthodox cathedral. Take the afternoon to enjoy the city’s gracious architecture or visit one of its many museums. After dinner, check out Belgrade’s famous nightlife.

HOME ON THE PUSZTA. Stretching across Hungary is a vast prairie known as the Puszta. Here the hardy, whip-cracking horse herders known as csikós lived and worked. Like the fabled cowboy of the American West, the 19th-century csikós have been romanticized in Hungarian folk songs, dances and literature.

JOURNEY HIGHLIGHTS

THE DANUBE’S IRON GATE. The Iron Gate area of the lower Danube is one of the world’s most scenic river gorges. Enormous white chalk cliffs flank the river, which forms part of the boundary between Serbia and Romania. Marvel at the large carved face of the ancient Dacian king Decebalus on the cliff sides.

CHARLEMAGNE’S DREAM. Some 1,200 years ago, Emperor Charlemagne contemplated connecting the Rhine, Main and Danube Rivers to facilitate river travel through Europe. This vision was finally realized when the Main–Danube Canal was completed in 1992. Employing ingenious river locks, vessels can now travel 2,200 miles through 10 countries, from the North Sea to the Black Sea.

JOURNEY HIGHLIGHTS

PALACE OF THE POPES. Inspired by conflicts in Rome, Pope Clement V moved the papal court to Avignon in 1309. He built the Gothic-style Palace of the Popes, which was home to seven popes in as many decades. Today, it still overlooks Avignon—symbolic of a brief time when this river town was the cultural and religious center of the known world.

ROMAN ARTIFACTS. The Roman Empire’s reach was enormous, and evidence of the Romans’ presence in France is everywhere. In Vienne, you will see the beautifully preserved Temple of Augustus & Livia, a Roman amphitheater and other structures. And in Arles, visit Les Arènes, an arena that seats 20,000 and is still in use today.

**JOURNEY HIGHLIGHTS**

**THROUGH ARTISTS’ EYES.** Southern France has long served as a creative muse to artists who are drawn to its warm light and vibrant landscape. Mid-19th century painters such as Renoir and Monet found inspiration here. Others soon followed. Van Gogh produced some of his most famous works in Arles, including Café Terrace at Night.

**ICON OF FRANCE.** Visible from most points in Paris, the Eiffel Tower was built and used for the 1889 Paris Exposition. Ten years later it was nearly torn down, but was saved because of its useful radio antenna. Now it is the most recognizable symbol of Paris. From the top, catch remarkable views of the city.

THE GERMAN CAPITAL. Highlights around Berlin include the baroque Charlottenburg Palace and 13th-century St. Nicholas Church. JOURNEY HIGHLIGHTS

A TILE’S TALE. From churches and palaces to train stations and park benches, Portugal is decorated with azulejos. Tin-glazed ceramic tiles, azulejos are used on floors, walls and ceilings as a decorative element as well as a functional one. Originating from Moorish traditions, the tiles are arranged in geometric patterns.

A WINE LIKE NO OTHER. With a microclimate that is optimal for cultivation, the Douro River Valley produces a distinctive regional vintage. Picturesque quintas—vinyards clinging to the river’s steep, sloped banks—produce a variety of grapes that blend to form the perfect port wine. Named after the seaport city of Porto, port is a Portuguese fortified wine aged in barrels.

No other city reached the glory of Thebes, which flourished for 500 years. It was also home to the god Amun, a deity associated with Egyptian royalty.

THE TEMPLE OF HORUS. In the form of a falcon, a colossal statue of the god Horus greets you at the door, while columns, walls and doorways, covered in reliefs, read like an encyclopedia on ancient Egyptian thought. The most complete and best-preserved temple in Egypt, the Temple of Horus was constructed between 237 BC and 57 BC.
